Design work featured on HackingUI

NEA Design Fellow

Grace Hopper Anita Borg Institute Scholarship Recipient

KPCB Design Finalist • HackNY Finalist

## EXPERIENCE

### NEA Ventures Design Fellow | Thirdlove

Design Intern | Summer 2017

Designing digital experiences for a leading e-commerce fashion and lifestyle startup funded by NEA Ventures.

### Disney

Product / Design Intern | Spring 2017

Designing internal tools for Disney employees.

### Adobe

Optimization Consultant Intern | Summer 2016

Utilized a data driven approach to strategize and implement A/B tests on major Fortune 500 client sites. Balanced business and client needs. Developed a yearlong strategic testing plan to improve website conversion, including wireframes, web experience redesigns and banner messaging for a major social media client.

### Chee.Design

Freelance Designer | Fall 2016 - Present

Led UX/UI Design on a number of projects for clients. Met with client to determine marketing and design vision, scope of work, budgets and deliverable timeframes. Clients include Heyy (featured on Product Hunt, Web Summit Pitch Winner 2016), and other entrepreneurs on the Upwork platform.

### Creative Labs

Designer | Fall 2016 - Present

Conceptualized and led the branding and design for Visualizing LA, a design-centric data visualization of transportation data in Los Angeles. Developed style guide, narrative and wireframes for the website visualizingla.com. Won Best Design award at Facebook sponsored UCLA Hacker Expo.

### Belkin

Product Management Intern | Summer 2015

Delivered 6 tablet extension keyboards through collaborating with Development, Marketing, Product, and Design teams. Defined product requirements & product roadmap, analyzed competitive landscape, and created official sales presentation for keyboards released globally.

### LinkedIn

Campus Editor | Fall 2015 - Present

Selected as part of LinkedIn's inaugural class to create, curate and discover #StudentVoices on LinkedIn's Pulse Platform. Held workshops for student groups, edited drafts and pitched ideas to fellow students. Wrote and edited articles that received 10K+ views.

### Bruin Advertising and Marketing Team

UX Researcher & Strategic Planner | Fall 2014 - Spring 2015

Conducted strategic and user experience research on Pizza Hut site to increase website purchase conversion rate. Used common UX methodologies such as usability interviews, surveys, focus groups, A/B Testing, and card testing. Won first place in Southern California regionals.

## AWARDS

### UCLA Internet Research Incubator

UX Researcher & Prize Recipient | Fall 2016 - Present

Selected as one of twelve UCLA students to receive a 15K grant as part of the inaugural class to pursue interdisciplinary, revolutionary research on the Internet. Specific research project focused on user experience, evaluating UI patterns in mobile commerce apps.
